This year the committee selected "Presents for Children of Inmates" as the charity for our breakfast. This project is conducted by Reconciliation Ministries, Inc. This agency provides statewide services to children, families and friends of Tennessee prisoners. We received the names of four children who have a parent that is incarcerated. Below is their wish list and sizes. You may either bring a present or make a monetary donation at the breakfast. If you bring a present, please wrap the gift and list the child's name and the item inside. Members of the hospitality committee will purchase items with the monetary donation after the breakfast. This is a great opportunity to put a little happiness into these children's holiday.
